

# 2007 Graduate Exit Survey

\*The Graduate Exit Survey (or Graduating Senior Survey) was given to U of MN graduates every spring. In even years, the long version of the survey was given and in odd years, the short version was given. Beginning spring of 2007, the Graduating Senior Survey and Student Experience Survey were combined and questions were revised. **This report contains only the "Graduating Senior" responses from the 2007 combined survey.**
