

**Campus Police (Security)  
Unit Annual Report  
2002 - 2003**

**Personnel**

Lowell Rasmussen - Security Director  
Charles Grussing – Sergeant  
Jennifer Lund – Police Officer  
James Ciaramitaro – Police Officer  
Joyce Amborn – Senior Office Specialist  
Tom Bengston – Parking Monitor (full time)  
Robert Ritzschke – Security Guard (full time)  
Kyle Berget – Security Guard (part time)  
David Stevenson - Security Guard (part time)

**Purpose**

The principal purpose of the University of Minnesota, Morris Campus Police is to provide protection and security of persons and property within the campus community.

**Function**

- A. Law Enforcement and Investigations
- B. Traffic Control
- C. Parking
- D. Key Control
- E. Respond To All Emergencies
- F. Money Details
- G. Building Security
- H. Personal Escorts
- I. Property Accounting
- J. Lost and Found

**EVALUATION**

The Campus Police Department hired James Ciaramitaro to fill the nine-month police officer position. Officer Ciaramitaro began working for the University Police Department in August of 2002, after being with the Morris Police Department for the past two years.

The long awaited implementation of the magnetic card access system is scheduled for installation in the Science Building for September of 2003. Card access is also being planned for the Social Science Renovation Project.

The RAD (Rape Aggression Defense System) course taught by Officers Jennifer Lund and Ross Tieg is now being offered for college credit.

**Major Changes/Recommended Plans for 2003-2004**

University Police Department Officers will be part of a Tactical Response Team that consists of officers from the University Police Department, Morris Police Department and the Stevens County Sheriff's Office.

The University Police Department will be offering to University students the opportunity to register and store information (such as serial numbers) on their personal property and valuables.
